# Plant Extracts Product Catalog 2024

# The science of sustainable beauty

**Actives and Natural Origins**

The Natural Origins portfolio celebrates both the wealth of global biodiversity and the magic of local roots. It uses Clariant's extensive worldwide network of local partners to provide access to a whole new world of exotic biomes and age-old plant knowledge, complemented by transparent and ethical sourcing whenever possible, responsible cultivation, and fascinating narratives.

Origins combines caring for the world with providing good care for skin and hair – and carries the product-enhancing allure of distant soils, stories and horizons. Our mission is to make a change from plant to bottle, ultimately impacting the industry sustainably to contribute to a more beautiful world – for people and planet alike.
