Welcome to CLARIANT IN INDIA
what is precious to you?
Clariant as the Globally Leading Company
FOR SPECIALTY CHEMICALS

We aim to be the globally leading company for specialty chemicals and to stand out for above-average value creation for all of our stakeholders.

We create value through appreciation of the needs
- of our customers by providing competitive and innovative solutions
- of our employees by adhering to our corporate values
- of our shareholders by achieving above-average returns
- of our environment by acting sustainably

A Value System with Focus on PERFORMANCE, PEOPLE AND PLANET

APPRECIATION AS THE MOTOR OF DAILY BUSINESS
Sustainable company successes and value generation can only be realized in a corporate culture that is embraced by everyone involved, and which achieves a balance between business performance, social interests, and environmental targets.
That’s Clariant
SPECIALTY CHEMICALS
THAT CREATE VALUE

As one of the world’s leading specialty chemical companies, Clariant contributes to value creation with sustainable and innovative solutions for customers from many industries. Our R&D is focused on addressing the key trends of our time. These include energy efficiency, renewable raw materials, emission-free mobility, and conserving finite resources.

Clariant reports in three business areas: Care Chemicals, Catalysis and Natural Resources.

Headquartered in Muttenz near Basel, Switzerland, Clariant is represented by 85 production sites worldwide and employs 13,235 people globally.

CLARIANT IN INDIA

Clariant is a focused, sustainable and innovative specialty chemical company based in Muttenz, near Basel/Switzerland. On 31 December 2020, the company employed a total workforce of 13,235. In the financial year 2020, Clariant recorded sales of CHF 3.860 billion for its continuing businesses. The company reports in three business areas: Care Chemicals, Catalysis and Natural Resources.

Clariant’s corporate strategy is based on five pillars:
- focus on innovation and R&D
- add value with sustainability
- reposition portfolio
- intensify growth
- increase profitability

Clariant in India, headquarter in Navi Mumbai, operates in the business areas of Care Chemicals (BU Industrial & Consumer Specialties and New Business Development), Plastics & Coatings (BU Pigments), Natural Resources (BU Functional Minerals, BL Mining Services and BU Additives) and Catalysis (BU Catalysts and Biofuels & Derivatives). BU Pigments (Business Area Plastics & Coatings) is part of the discontinuing operations. Clariant International has announced that it has reached definitive agreements for the divestment of its Pigments business (June 2021).

The company has manufacturing units at several locations in India, spread across Roha in Maharashtra; Cuddalore in Tamil Nadu; Nandesari in Gujarat; Nagda in Madhya Pradesh; Bonthapally in Telangana and Edayar in Kerala.

With dedicated Application Centers and a state-of-the-art Regional Innovation Center (RIC) in India, the company aims to co-create tailor-made solutions for the industry. The RIC is part of Clariant’s Global Innovation Network.

Clariant in India is actively engaged in various community initiatives and has adapted a strategy to focus on the following key areas:
1. Focus on chemistry for next generation and help build future talent in industry
2. As Environment, Safety and Health are top priorities for Clariant, we would extend these initiatives to the community
3. We consider that women are a catalyst of change in the society and hence we have to ensure that we educate the girl child and support to empower women by helping them develop alternative skills
