

Opening Event **CONSUMER CARE INNOVATION CENTER**

On behalf of Clariant and Business Unit Industrial & Consumer Specialties, we cordially invite you to the official opening ceremony of the Consumer Care Innovation Center (CCIC) in New Providence, N.J. on September 24th, 2019.

We'll take you on a journey through our high-tech application and claims laboratories - where we bring our innovation to life, consumer testing center - where our innovation transforms into consumer perceivable benefits, collaboration space - where we fuel the interactive and creative thinking to co-create the next generation of innovation, and demonstration room - where we partner with our customers to envision your next innovation.

Agenda: Tuesday, September 24, 2019
