CLARIANT

Responsible Care®
OUR COMMITMENT TO SUSTAINABILITY

Clariant International Ltd

Commitment & Clariant Excellence

Clariant commits itself to ethical and sustainable operation and Development in all business activities according to Responsible Care® and Clariant's own Code of Conduct. Clariant strives for a business culture of continuous improvement as well as for sustainable competitiveness and top performance in consideration of Clariant's ethical standards.

Responsibility

Clariant bears an ethical responsibility for sustainable, economic and ecological, as well as fair, business practices. Corporate Social Responsibility is therefore an integral component of our company's philosophy. All Clariant employees are educated and trained to assume responsibility in line with their function, level of authority and qualification.

Clariant's Management System

Clariant's certified Management System adheres to all internal and external standards to which Clariant subscribes and forms the company's documented structural framework as the basis for objectives and programs. The system complies with ISO 9001, ISO 14001, OHSAS 18001, ISO 50001 and Responsible Care®. Achieving and maintaining a high level of quality across all aspects of our businesses, our ESH related activities, Social Responsibility and Responsible Care®, is our understanding of Corporate Sustainability.

Compliance

Compliance with laws, international standards, internal regulations, and Clariant's Code of Conduct is a basic requirement for all our activities. Clariant appreciates voluntary initiatives and provides adequate support to develop effective and efficient safety, health and environmental and energy regulations.

Safety, Security and Environment

Among Clariant's most important objectives are the safety and security of its worldwide activities and the protection of people and environment. We set protection goals which are valid throughout the entire group and monitor and evaluate all aspects of our activities.

Risk and Emergency Management

Comprehensive assessment of risks related to our operations and products are prerequisite to our business processes. Local and global emergency organization is in place to ensure comprehensive emergency management and response.

Innovation and Product Stewardship

We are convinced that it will be essential to understand our customers' needs. Innovation and customer focus is the key to our business. We permanently develop better and new products and services to add value to our customers and to our environment. Concurrently we secure that our products can be used over their entire life cycle in a safe manner for employees, customers, the public and the environment.

Sustainable Operation and Processes

We take initiatives to reduce environmental, safety and health risks in production, storage, distribution and usage of our products and the disposal of waste. This includes the efficient use of energy and resources and the continuous improvement of our processes to minimize the impact of our activities on the environment by increasing our environmental and energy performance.

Third Party Management

Our aim is to establish mutually beneficial relationships with our third party suppliers and contractors in order to support our services on the basis of our internal ESHQ standards, which include Corporate Social Responsibility and Responsible Care®. We encourage our suppliers and service providers to adopt standards comparable to Clariant's policies.

Communication

Clariant fosters a culture of proactive and transparent communication as key to trusting and reliable relationships. All stakeholders are regularly informed about our activities, our targets and our ESHQ and energy performance. We identify the concerns and expectations of our stakeholders systematically.

Monitoring and Review

We monitor and review all business aspects and processes including Responsible Care® issues at regular intervals. Observing our quality and performance is an integral component of our business processes, our top priorities and our strategic planning.
